

PUBLICIS GROUPE

COMMUNIQUÉ DE PRESSE

**Pluie de récompenses pour Publicis Groupe au 48^{ème} Clio Awards
Saatchi & Saatchi primé « Réseau d'agences de l'année »**

Paris, le 21 mai 2007 - L'édition 2007 des Clio Awards, une des plus prestigieuses compétitions internationales de publicité, s'est révélée fructueuse pour Publicis Groupe et ses réseaux. Au total, 418 prix ont été distribués dans 27 pays dont 112 pour Omnicom, 97 pour Publicis Groupe, 43 pour WPP, et 16 pour Interpublic. Cette performance de Publicis Groupe est d'autant plus remarquable que le Groupe est à peu près deux fois plus petit que WPP ou Omnicom.

Le groupe arrive en tête aux Etats-Unis avec 49 Clios, c'est-à-dire largement devant ses concurrents, et occupe la première place également au Japon, en Australie, en Belgique, au Danemark, en Italie et en Colombie.

Publicis Groupe est extrêmement fier pour ses collaborateurs et ses clients de ces performances qui traduisent bien la qualité, la diversité des talents et la confiance des clients qui permet de réaliser de belles et audacieuses campagnes.

Saluons le nombre impressionnant de prix obtenus par Saatchi & Saatchi (52 prix), qui revient en force avec notamment le prix « Agency Network of the Year » et celui de « Agency of the Year » pour l'agence de New York. Les deux « Grand Prix » en Télévision et Outdoor de Leo Burnett marquent le dynamisme du réseau (29 prix). Mais également Publicis, Fallon ou BBH qui continuent à faire de Publicis Groupe le numéro deux de ce palmarès.
